

GETTING IT DONE FOR A QUARTER CENTURY

26TH SEASON

Track Minnesota Elite (TME)

Minnesota's oldest club team and nationally recognized program.

TME a program of Youth & Families Determined To Succeed (YFDS) nonprofit organization, is a college development program that has been an instrumental to assisting youth onto pathways to long-term success.

Since 2006, 90% of our alumni 300+ have attended and graduated college.

TME's Primary Objective

To enhance youth's resiliency and track skills into collegiate opportunities and lifelong success. Travel youth to high level championship and international track meets experiences that enhance their talent and more importantly elevates their goals and visions.

Help Raise Funding

Help raise capital for organizational capacity & scholarship fund for under resourced participants fees. **\$50,000 GOAL**

The past 26 years we have never turn away a child because of fees which has resulted in many success stories that would not have happened without TME scholarship funds. The YFDS model is unique and there are limited grants that support YFDS programming, the YFDS Center and General Operation.

Each parent is asked to share our sponsor package with a prospective individual or organization or make prospect introduction. [Event Sponsor Package](#) | [Organization Sponsor Package](#)
